Access Zoom from Your Mobile Device

Please note that all mobile devices may have different versions of software and screen shots may look slightly different. **Please contact your provider's office if you have any questions about using Zoom.**

1. Open the **App Store** (iPhone) or **Google Play Store** (Android).

2. Search for Zoom and **download the App.**

The remaining steps are the same and the type of phone you are using does not matter.

3. Open the App once it has finished downloading.

4. Click **Join a Meeting.**

5. Enter the **Meeting ID** provided to you and your **First and Last Name** so our team members can identify you.
