

Services may be provided in this health care facility by the facility as well as by other health care providers who may separately bill the patient and who may or may not participate with the same health insurers or health maintenance organizations as the facility as applicable.

Patients and prospective patients may request from this facility and other health care providers a more personalized estimate of charges and other information. Patients and prospective patients should contact each health practitioner who will provide services in the ASC to determine the health insurers and health maintenance organizations with which the health care practitioner participates as a network provider or preferred provider

COST FOR SERVICES

We aim to assist you in your efforts to make informed health care decisions. As you evaluate your options, you will find that cost for services are different from facility to facility depending on a number of variables. While we want to provide the best quality at a reasonable cost you may pay less for your procedure or service at another facility or in another health care setting. Upon request we will provide

you a good faith estimate of the cost of services. Please allow seven days to process. You should contact your health maintenance organization (your insurer or health care coverage provider) regarding your cost-sharing responsibilities. Please call our office at 850.208.6300 for an estimate.

PATIENT BENEFITS

There are many advantages to having your outpatient procedure at Baptist Medical Park Surgery Center.

WORLD-CLASS SURGICAL STAFF AND TECHNOLOGY

Your own doctor, or a doctor your physician referred you to, will perform your surgical procedure at our facility. A specially trained nursing team and physician-led anesthesia team will assist your surgeon so you receive the highest quality care. Our team is supported by the latest, state-of-the-art medical equipment available.

RAPID RECOVERY

After discharge, your recuperation takes place in the comfort of your own home, with specialized instructions from your doctor. There is less disruption of your normal routine, allowing you to return to work or school much sooner.

CONVENIENCE

We work together with your physician to schedule the most convenient time for you to have your procedure. Parking is easily accessible and the location has multiple entrances. The Surgery Center is located on the north section of the building. Park in the north parking lot and enter following the signage to the registration area. Discharge will take place in a designated exit on the north section of the building clearly marked with a blue awning and sign.

SUITED FOR CHILDREN

Outpatient surgery is preferred for children. Our center is warm and personable, and our team pays close attention to the needs of children and parents. Parents may stay with their child right up to the time of the surgery, and may rejoin them quickly in our recovery room.
