At Baptist Health Care, you'll find our team feels childbirth is a special calling. Baptist's Mother-Baby Center offers you choices to tailor your experience from early pregnancy to your baby's birth. Our experienced team of nurses and educators are specially trained to make your birthing experience truly one of a kind. Baptist strives to provide a one-to-one nurse to patient ratio with active labor patients. Our nurses will be by your side to give you the clinical and emotional support you need during your birth.

Registration Process

To register for the following programs, monthly series or a-la-carte classes, please register online at easyschedule.com. **We encourage you to sign up for classes early and schedule them spaced out during the last few months of your pregnancy to ensure availability. A payment invoice will be mailed after completion of the registration process.** Call 448.227.1511 for questions.

Grandparenting 101

\$15 per person or \$25 for two

Baptist Hospital, 5th Floor Conference Room

Wednesdays, 1 to 3 p.m.

Grandparents play an essential role in their adult children and grandchildren's lives. It's important to know what parenting guidance has changed over the years and how to support new parents. This fun and informative class will cover the latest information on baby care, safe sleep, swaddling, breastfeeding, vaccinations, car seat safety and infant feeding. You will also learn how to navigate this new relationship as your children transition into being first-time parents. **Even if your grandchild will be born at another facility, you are welcome to register for the class.**

Postpartum Support

Free

Baptist Hospital

5th Floor Conference Room

The birth of a baby can start a variety of powerful emotions from excitement and joy to fear and anxiety. With postpartum support, you can learn stress management techniques and feel encouraged in a safe, supportive environment. Together we can move forward through the struggles, navigate the challenges and lift the burden with a common bond. Infants and crawlers are welcome to attend.

These sessions are individually scheduled upon request. Please call 448.227.3840.

Tailored Experience Before and After Baby's Arrival

As a mom-to-be, you want to have the customized labor, delivery and postpartum experience that is right for you. The Baptist team is committed to creating a tailored birthing experience that aligns with your needs and wishes. We do this by pairing your indicated birth preferences with the latest safety standards to create an environment that helps you relax and enjoy the journey of childbirth. Baptist's Mother-Baby Center offers hydrotherapy labor tubs in each room, floor-to-ceiling windows overlooking a park-like view, mom-controlled ambient lighting, a flat screen smart TV, Wi-Fi , a queen sofa bed and more.

The arrival of your baby is an amazing event! Each birth is attended by a registered nurse who will examine your baby at your bedside. If your newborn is doing well, you will have unlimited time to become acquainted with your baby; skin-to-skin is highly encouraged.

The Mother-Baby Center has tailored services available for after the arrival of your baby. We offer breastfeeding services from two International Board Certified Lactation Consultants, and all of our registered nurses are trained in breastfeeding support. Our team is here to help make caring for your baby a fulfilling and positive experience.

We have your family's best interest in mind. Baptist provides an environment that is supportive to your choices. Thank you for choosing Baptist Health Care to serve you during this special time.
