

Welcome to the AFib Center at Baptist Heart & Vascular Institute

The AFib Center at Baptist Heart and Vascular Institute is now available for patient referrals. We are excited to offer quality comprehensive care for AFib and AFib related symptoms. At the AFib Center, all referrals will receive a personalized assessment and pathway through which patients can obtain proper and timely treatment of their clinical diagnoses.

The AFib Center

Electrophysiologists

- Thabet Alsheikh, M.D., FACC, FHRS
- Marcelo C. Branco, M.D., FACC
- Evaldas Giedrimas, M.D., FHRS
